Henriettec, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. My books are all easy reads. In fact you can read them even if you are in a crisis and often in one sitting. They are all full of questions, statements and short sentences as well as quotes, not to mention lots of help to finding your way and stay on track to well-being. They all have lots of room for contemplation and your own notes. I Love? You 110 Ways to Detect a Bad Relationship is a must read! It is such a fantastic book. The questions are insightful and very necessary to ask. I know that anyone that reads this book will learn so much about themselves and gain the wisdom needed to build better long term relation-ships. Chizoma Cluff Nosiri, Editor-In-Chief and Self-Esteem Guru I wish I d had this book when I was 16/17, right before I married my ex-husband. If I d asked myself these questions, learned the signs of an abuser, or even just met someone who could enlighten me to abuse and that it existed, things may have been a little different. If you re getting into a relationship or want to, this is a fantastic book to get in order to ask yourself very specific questions. If you feel like something is off with the person you re dating, then trust yourself! This book should be a part of a workshop for high school students in order to begin preventing abusive relationships while people are still young enough to learn and change with minimal resistance. I hope everyone who wants to learn more about healthy relationships picks up this book and seriously considers the questions asked within these pages. Jennifer-Crystal Johnson, Author of Strangers...
