Brand New Book ***** Print on Demand *****.Excerpt from **A Statement Showing the Result of a Personal Study of 306 Inmates Committed From Cook County, Illinois, and 262 Inmates Committed From Counties Outside of Cook County to the Illinois State Reformatory for the Year 1916** It is not my purpose in this pamphlet to enter into an extended discussion as to the cause or cure of crime, but to submit an exact statement of a personal study of the education, mentality, a history of the parents, the previous record, age and habits of the inmates committed to my charge, so that the public will know, as near as possible, the kind of young men committed to this institution for the purposes of reformation. I have not furnished the vocational education of the inmate, because, the percent is so small that a statement is not necessary, except to state that out of 568 inmates there were only 12 who ever had a vocational training, or had mastered any trade. A personal study of each of these inmates, from facts furnished by this pamphlet, will furnish food for considerable thought, research, and study by those who are interested in making over boys and men.
