Golden Unicorn Enterprises Inc. Paperback. Condition: New. 200 pages. Dimensions: 8.8in. x 5.5in. x 0.7in. After four years of working for the billionaire boss from hell Ally Caldwell thinks she finally has her life on the right track. Her fianc is out of dental school, ready to go to work at a thriving practice, and it would finally be her turn to go back and finish her college degree. Unfortunately, her carefully planned future crumbles when she finds out that her fianc, the man she nearly killed herself to help get through school, has been cheating on her. With her wedding looming in the near future, Ally is blindsided, realizing she never even knew the man she had been planning to marry. Suddenly, her carefully organized life is turned upside down, and not one single thing is turning out the way it was supposed to happen. Even her boss, Travis the Tyrant, is beginning to act differently, throwing Ally into an even more confused and chaotic state of mind. Travis, the one man who she always counted on to be a jerk, was now the guy who actually steps up to try and help her straighten her life out again. Unfortunately, she doesn't much care for his high-handed arrogance or his methods of helping. Ally wants to hate Travis. It makes her life so much simpler to fight with him than to admit to the combustible chemistry growing between the two of them. But as she begins to see more and more of the real Travis beneath his dark facade, she can't seem to resist the dangerous lure of their unlikely attraction. Billionaire Travis Harrison does everything he possibly can to repair the Harrison name after a scandal nearly destroyed his family years ago. He makes sure he keeps himself and his actions...
