Jeanne Adams/Golden Gryphon Press. Paperback. Condition: New. 294 pages. Dimensions: 8.0in. x 5.0in. x 0.7in. Welcome to Haven Harbor, Massachusetts! In 1691, a group of renegade witches fled Salem in the dark of night, escaping the desperate evil that spawned the Witch Trials. They struck out to form their own town, with their own rules. Three hundred years later, their descendants celebrate by retracing those steps, but this year, a new evil stalks the Witches Walk. Its time for The Witches Walk! She's got a plan. Burned out, beaten down, and on the brink of a career implosion, event management dynamo Mari Beecham bypasses the contract of a lifetime to take a job in a community known for its strange, spooky happenings. She doesn't buy into the story line about the witches founding the town, but its great publicity. Bottom line: If she can make the annual Witches Walk a top destination event, she'll save her career and, maybe, find some balance. She'll do it, too, if First Son of Haven Harbor Peregrine Hestworth will stop interfering. He's in her way. As Town Council chair, Pere is serious about the safety and welfare of his people. He doesn't want to like Mari. Even if he didn't suspect his meddling mother of weaving a matchmaking spell, he still would have voted against hiring the petite whirlwind with a spine of steel. His visions of fire and death moving to Haven Harbor along with Mari are too deadly to ignore. As trouble brews and the event stalls, the attraction between Mari and Pere bubbles like a cauldron. When a woman is attacked, and another disappears, Pere knows his unreliable foresight has hit the mark this time. An old evil is rising, with a new vendetta, and if they can't work together, the devastation...
