

Twenty-Five Years in the Black Belt (Paperback)

By William James Edwards

Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In bringing this book before the public, it is my hope that the friends of the Snow Hill School and all who are interested in Negro Education may become more familiar with the problems and difficulties that confront those who labor for the future of a race. I have had to endure endless hardships during these twenty-five years, in order that thousands of poor negro youths might receive an industrial education, -boys and girls who might have gone into that demoralized class that is a disgrace to any people and that these friends may continue their interest in not only Snow Hill but all the schools of the South that are seeking to make better citizens of our people. I also hope that the interest may be sustained until the State and Nation realize that it is profitable to educate the black child as well as the white.
