EXPELLING XAVIER (PAPERBACK)

Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A Christian book unlike any you ve ever read. This is a story of Love, but not just between a boy and a girl, but the Love of God. Enter the lives of two teens; Theeadora, a girl with a troubled past - and more than just skeletons in her closet. And about Brice, a boy with a new found faith, determined yet clueless. Obstacles are around every corner; temptations, family drama, jealousy, and spiritual warfare seem never ending for the two of them. But despite their lack of strength, God finds a way to reveal His strength and He teaches them both what Love really looks like. Dorothy Haile adds another great book to the growing collection of radical writings from Fellowship Of The Martyrs Publishing.
