BRILLIANCE AUDIO, 2015. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. When The Italian Job meets the Knights of the Round Table, the ultimate medieval heist caper is born. It is the summer of 1035 AD and three sons of Tancred de Hauteville are in ambivalent service to Guimar, Prince of Salerno. The three men, who have been trained by their father in the art of war since childhood, spend the sweltering afternoons practicing swordplay, trading barbs, and thinking of how many men they would need to take the prince's poorly fortified castle for themselves. But when a mysterious agent asks the prince for the brothers' services in obtaining a gilded chest, eldest brother William recognizes an opportunity to strengthen the Hauteville legacy. When he assembles a crew of skilled mercenaries, loyalties are tested and truths revealed. Among the group, there is a traitor, a spy, and the carrier of a long-held secret. The trust William places in each of his men will decide the future for himself and his family. A bold new SideQuest in the Foreworld Saga, Hearts of Iron shows a different side of the middle ages, but with all the deft-sword play, historical accuracy, and political intrigue you would expect from the series that brought you The Mongoliad trilogy.
