PART WILD: CAUGHT BETWEEN THE WORLDS OF WOLVES AND DOGS (PAPERBACK)**DOWNLOAD**

SIMON SCHUSTER, United States, 2012. Paperback. Condition: New. Reprint. Language: English . Brand New Book. An introspective and lyrical (Booklist) memoir about a woman and her wolfdog hybrid--a powerful combination of storytelling and science that is as informative as it is moving. When Ceiridwen Terrill adopts a wolfdog--part husky, part gray wolf--named Inyo to be her protector and fellow traveler, she is drawn to Inyo's spark of wildness and compelled by the great responsibility, even danger, that accompanies the allure of the wild. She feels transformed by the extraordinary love she shares with Inyo, who teaches Terrill how to carve out a place for herself in the world. Over almost four years, Terrill and Inyo's adventures veer between hilarious and heartbreaking. There are peaceful weekends spent hiking in snowy foothills, mirthful romps through dirty laundry, joyful adoptions of dog companions, and clashes brought on by the stress of caring for Inyo, insatiable without the stimulation of a life lived outdoors. Forced to move and weigh the complaints of fearful neighbors against the desires of her space-craving wolfdog, Terrill must confront the reality of what she has done by trying to tame a part-wild animal. A gifted writer able to capture the grace and power of the natural world, the complexity of scientific ideas, and the pulse of the human experience, Terrill has written a bittersweet memoir of the beauty and tragedy that come from living with a measure of wildness.
