THE CHARISMA CODE: COMMUNICATING IN A LANGUAGE BEYOND WORDS (PAPERBACK)

White Cloud Press, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. The Charisma Code offers a wealth of tools for resolving conflict, inspiring engagement, and changing culture. --Tony Hsieh, CEO, THE ERA OF GLOBAL CITIZENSHIP IS HERE. While we know the next big innovations will spring from global culture, it s not always clear how to join this planet-without-borders conversation. The Charisma Code is a handbook for connecting across cultures. The best connectors are the biggest influencers, and those who influence culture change the world. The key is unleashing your inner soul force----your charisma----to attract, connect, engage and bring value to your relationships. In her barrier-breaking book, cultural anthropologist, Robin Sol Lieberman, reveals how anyone can tap the language beyond words to build bridges, open doors, or start revolutions. As Marianne Williamson, author of A Return to Love, says, The Charisma Code unlocks some best-kept secrets regarding living and leading from a power within us all. The Charisma Code inspires readers to choose courage over comfort, compassion over ignorance, and freedom over fear. Charisma helps communicate who you are--the most engaging tool you can use when inviting others on your ride!.
