Reviews

The most effective ebook i possibly go through. I am quite late in start reading this one, but better then never. Its been designed in an extremely basic way and it is just after i finished reading this ebook by which basically transformed me, modify the way i believe.

Brand New Book ***** Print on Demand *****.Excerpt from The Gas, Light and Coke Company: An Account of the Progress of the Company From Its Incorporation by Royal Charter in the Year 1912 to the Present Time, 1812-1912 It is probable that the ordinary man of business, absorbed in the daily routine of his special calling, seldom spares a moment for reflection on the chance beginnings of institutions on whose aid he now depends for his very existence. They have become a part of his world as familiar and unquestioned as the sun's diurnal round, with the cry of the newsboy at dusk and the milkman in the morning. The seventeenth-century Lloyd, who set up his coffee-house as a resort for seafaring gossips, is no more than a myth in the modern shipman's liturgy; and travellers by the night mail from London to Edinburgh, intent on errands of pleasure or of gain, pull the black lamp-shade over the flickering flame and settle themselves as cosily as may be in the carriage corner, without giving a moment's thought to the long labour of Stephenson in the dawn of the century gone by. Yet neither Lloyd's nor the modern railway sprang full-armed from the inventive brain: these institutions have slowly evolved to the needs of the time, social, political, industrial, which, step by step, induced their development. The steamship and the steam-driven locomotive, again, are dependent for their utility on the supply of coal: without their power of propulsion they are worth no more than their weight as scrap-iron. It is, indeed, hardly too much to say that neither one nor the other could have been invented elsewhere than in our own land,...
