Roadie Designs, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Set in London and Brighton, *Thirty Days* is a fabulously provocative romance series that gives you a very steamy love affair between a hot guy and an unsure heroine, baked goods and some rather unexpected twists and turns along the way. I don't know how much more of this I can take, Taylor, I say, unconsciously rubbing my belly. It feels like we are constantly under attack, that I am always watching my back because the bogeyman might just jump out me at any moment. Taylor lets out a sigh and begins to rub the bridge of his nose in agitation and I know that I need to address the elephant in the room. I need you Taylor. Bean needs you too. You can't just keep shutting yourself away and burying your head in your work. I am almost at breaking point here and we are supposed to be a team. I trail off wondering if maybe I have gone too far. With the court case looming, Abby and Taylor find themselves at the mercy of outside forces still beyond beyond their control. Will their new marriage survive the turbulence as the lies begin to unravel? The *Thirty Days* series totals four books and explores Abby and Taylor's relationship over the months of September, November, April June as they work towards their own happily ever after. Due to the nature of the content this book is intended for mature audiences.
