Reviews

This book is fantastic. This is certainly for all those who statte there had not been a really worth reading. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Prof. Dale Fahey MD)

SOLSBURY HILL (PAPERBACK)

Penguin Putnam Inc, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. Susan Wyler's contemporary take on a classic love story is utterly beguiling. Solsbury Hill is a gorgeously well-written tale of a fraught love affair that takes you from New York to the wild gothic setting of the Yorkshire moors. Fiona Neill, author of *Slummy Mummy* and *What the Nanny Saw* The windswept moors of England, a grand rustic estate, and a love story of one woman caught between two men who love her powerfully all inspired by Emily Bronte's beloved classic, *Wuthering Heights*. Solsbury Hill brings the legend of Catherine and Heathcliff, and that of their mysterious creator herself, into a contemporary love story that unlocks the past. When a surprise call from a dying aunt brings twenty-something New Yorker Eleanor Abbott to the Yorkshire moors, and the family estate she is about to inherit, she finds a world beyond anything she might have expected. Having left behind an American fiancé, here Eleanor meets Meadowscarp MacLeod a young man who challenges and changes her. Here too she encounters the presence of Bronte herself and discovers a family legacy they may share. With winds powerful enough to carve stone and bend trees, the moors are another world where time and space work differently. Remnants of the past are just around a craggy, windswept corner. For Eleanor, this means ancestors and a devastating romantic history that bears on her own life, on the history of the novel *Wuthering Heights*, and on the destinies of all who live in its shadow.
