

Food for the Evolving Human: Talk2momz (Paperback)

By Ida Lawrence

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The second in a series of essays from the popular blog, . These writings delve into consciousness and the metaphysical, spirituality, wholeness through feminine and masculine balance, understanding conditioning, observation of the political realities and the envisioning of a renewed human and natural environment. The messages are of strength and comfort, inspiration, and encouragement to evolve. In this book the author holds fast to her belief that trying times can bring about an evolution in consciousness as human beings are thrust into reliance on the divinity within and the oneness of all.
