Reviews

This pdf is amazing. I actually have read and i also am sure that i am going to planning to read once more yet again in the foreseeable future. Your lifestyle period will probably be convert once you total looking at this publication.

(Ms. Aileen Larkin)

I LL FIX MY HEAD BEFORE I M DEAD

Boneyard Express, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.I ll Fix my Head Before I m Dead:: Review A man s life cannot be justly written or adequately shared, not because language falls short - rather, because a man s life is a subjective experience. Two identical situations can cause excitement in one or fear in another based on the accumulation of their influences. How can a mere book sufficiently express the emotions and evolution of a human? At best, polaroids and captions afford us flickering glimpses into a heart and soul. I ll Fix My Head Before I m Dead takes the reader by the hand and guides him through the nostalgic meandering of Memory Lane. With wistful overtones and a stream of consciousness uninterrupted by punctuation, you cannot help but fall into rhythm with Roberts thoughts as he reflects on a life lived to its fullest. Roberts offers an open invitation to relive some of his most vulnerable moments and never fails to cap each story with a moral he gleaned from it. Roberts imparts decades of wisdom, using simple sentences to convey simple but elusive truths. As though I were there to experience the trials and tribulations myself, I paused at times to reflect on my own life. Could Roberts parallel experiences and the lessons I was reading provide retrospective clarity for myself? The book weaves together uncensored journal entries from times and places long ago and far away, with a narrative of hard-earned maturity. Roberts uses brushstrokes of humor and frames his experiences with lilting introspection. I believe the theme is captured in the following excerpt. At 56, Roberts wrote, Health and wisdom are an output Of all kinds of inputs...
