Reviews

Very helpful to all class of folks. Better then never, though i am quite late in start reading this one. You can expect to like just how the blogger create this pdf.

(Mandy Larson)

REFUGEE WOLF (PAPERBACK)

Flying Pig Media, United States, 2013. Paperback. Condition: New. Roy Chen (illustrator). Language: English . Brand New Book ***** Print on Demand *****. WARNING! This is a dark and comedic, futuristic fairytale about the terms of the asylum seeker and refugee debate in Australia. It contains mild coarse language, biff, beer, pork and a lot of hot air. In this twisted allegory set in 2500 AD, Big Bad Ben, a knockabout, larrikin refugee wolf, is on the run from the humans. Why? Because he's eaten too many pigs. Big Bad Ben works for the humans and he has to kill and eat mutant pigs from outta space. But the humans turn on him and set him up and throw him in jail. Then, there's trouble and discrimination. When he escapes from Earth on a rusty space shuttle to the Planet of Sticks, the Planet of Straw and the Planet of . you guessed it - McSpaceMansions! - he encounters rejection at every turn by a money-hungry gang of pigs that holds all the power. WE THE PIGGERRY INC., design a pill called Excess and mix it into the drinking water. Every pig on these planets is a glut and is on a constant high of warm and fuzzy thoughts. The irony is that even if Big Bad Ben is granted refugee status, the last planet which he travels to is broke and disconnected. This funny re-invention of The Three Little Pigs has more obstacles in front of the poor refugee wolf than a hurdles race. You will squirm with laughter as it is very unsettling. - Bluey Smith, The Sacred Cow Times This is an underwhelming tour de farce. The author, a Vietnamese refugee, hasn't quite mastered Aussie slang. He should go back to Slang School. But...
