HARRISON HOUSE, 2016. Paperback. Condition: New. Language: English . Brand New Book. We have all heard the old saying that money cant buy happiness. Jamie Jones disagrees. She believes that being rich punches being poor straight in the face. Telling her story of starting out with her husband, being thousands of dollars in debt and trying to live the American dream to becoming millionaires in their 30s, Jamie is raw and honest about the journey to get rich. She shares 9 Biblical principles that are simple, timeless and attainable. She believes that more Christians need to have financial wealth so that they can reach others for Jesus. When our hearts focus is the same as His heart, he knows that He can trust us with His wealth. For Gods true riches are people, His children. He longs to spend eternity with all of us. This is why we must get rich! We must reach people. As long as our goal is to do honor Him with our wealth, He will see to it that we remain in His wealth.
