SPOKEN FROM THE HEART PARENTING 101 VOL. 2 VOLUME 5

Spoken from the Heart. Paperback. Condition: New. 96 pages. Dimensions: 8.0in. x 5.0in. x 0.2in. Do you have one child and have the opportunity to focus solely on his individual strengths and weaknesses Or are you the parent of multiple children each at varying developmental stages, with individual interests, hobbies, and challenges unique to them No matter how many children make up your own family structure, I think we can all agree. Just when we think we have this thing called parenting mastered, our children change, again, and were left wondering what to do next. Instead of getting frustrated, we can turn to the ultimate training manual, Gods Word, to help us maneuver these crucial years. By studying Gods blueprints and applying His truths, parenting turns into a gift, a way to embrace the fleeting years we have with our children under our roof and a chance to make memories that will last a lifetime. Join me as we fill our homes with laughter, love, and the opportunity to model for our children a personal relationship with our Heavenly Father. Without His wisdom, this parenting journey would be much more difficult. I pray you will find answers to some of your questions, hope in the midst of struggles you might be experiencing, and a chance to sit and rest. Maybe you will find a new or deeper relationship with God in the process or just a place to start discovering all He wants to give you. As I love saying, The God I serve is personal. What Hes willing to do for me, Hes waiting to do (and much more) for you. Lets sit down, friend-to-friend, as we seek to find some wisdom, peace, and happiness in this high energy, fast-paced world. This item ships from multiple locations. Your book may...
