The group s original lineup consisted of brothers Brian, Dennis, and Carl Wilson, their cousin Mike Love, and their friend Al Jardine. Distinguished by their vocal harmonies and early surf songs, they are one of the most influential acts of the rock era. The group, led by their principal songwriter and producer Brian, pioneered novel approaches to popular music form and production, combining their affinities for jazz-based vocal groups, 1950s rock and roll, and black RB to create their unique sound. He later arranged his compositions for studio orchestras and explored a variety of other styles, often incorporating classical or jazz elements and unconventional recording techniques in innovative ways.
