By Marcia Brennan

John Hunt Publishing, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. The Heart of the Hereafter can help to serve as a life review for the living. They range from philanthropy, self-respect (amour propre), familial love (agape and storge), and romantic love (eros) to various expressions of spiritual love including charity (caritas), grace, enlightenment, and transcendence. By engaging these themes, this book sheds valuable light on both the promises and the complications associated with constructing an ars moriendi, or guide to the art...
