SURFACE ENERGY BUDGET OVER A LAND SURFACE IN THE TROPICS

Surface Energy Budget Over a
Land Surface in the Tropics
Energy Balance, Surface Layer, Turbulent Fluxes

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Energy Balance, Surface Layer, Turbulent Fluxes | Atmospheric convection is sensitive to the nature of the surface and its temperature. Both dry (without cloud) and moist (with cloud) convection depend on the surface temperature. Surface temperature is of critical importance in several practical applications like human comfort and crop cultivation. In the climate change scenario too, variations in the surface temperature take the center stage. Therefore, prediction of surface temperature is important...
