## WHAT DO I SAY TO MY NET-SAVVY KIDS?: INTERNET SAFETY ISSUES FOR PARENTS (PAPERBACK)

McGraw-Hill Education - Europe, United States, 2014. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. Parents today have a lot to be concerned about. To add to this list is the worry of what their children are doing on the Internet. This book highlights some of the problems, risks and dangers on the Internet. Internet Safety Issues for Parents begins by arguing that there is a need to be concerned and that our children can be vulnerable. At the same time, the book explains why the Internet is so important in the lives of our children; offers general advice on parenting on the Internet from a developmental perspective that can help bridge the digital divide between Net-savvy kids and clueless parents; highlights issues of concern - beginning with the misuse of information and privacy; focuses on some risks regarding...
