Worldwide Threat Assessment of the U.S. Intelligence Community

By Senate Select Committee on Intelligence

Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Chairman Feinstein, Vice Chairman Chambliss, and Members of the Committee, thank you for the invitation to offer the United States Intelligence Community's 2013 assessment of threats to US national security. My statement reflects the collective insights of the Intelligence Community's extraordinary men and women, whom it is my privilege and honor to lead. This year, in both content and organization, this statement illustrates how quickly and radically the world-and our threat environment-are changing. This environment is demanding reevaluations of the way we do business, expanding our analytic envelope, and altering the vocabulary of intelligence. Threats are more diverse, interconnected, and viral than at any time in history. Attacks, which might involve cyber and financial weapons, can be deniable and unattributable. Destruction can be invisible, latent, and progressive. We now monitor shifts in human geography, climate, disease, and competition for natural resources because they fuel tensions and conflicts. Local events that might seem irrelevant are more likely to affect US national security in accelerated time frames. In this threat environment, the importance and urgency of intelligence integration...
