Reviews

The book is fantastic and great. It normally will not cost an excessive amount of. I am just easily could possibly get a satisfaction of reading a published ebook.

(Edgar Witting)

DRACUT

Arcadia Publishing (SC), United States, 1997. Paperback. Book Condition: New. 229 x 163 mm. Language: English . Brand New Book. Dracut, a typical New England town with a brilliant but almost forgotten past, was founded in 1701, or 1702 according to the modern Gregorian calendar. A Yankee tradition grew up there side by side with the cultural heritage of many immigrant groups, and this early diversity distinguished the community from some of its neighbors. Dracut s first landowner was John Webb, whose property was sold in the seventeenth century to the town s first resident, Edward Coburn. Dracut men served valiantly in the Revolutionary War, and many residents figured prominently in the fields of politics and business. This marvelous new photographic history of Dracut chronicles the contributions of many and puts into context the role of the town in the history of the United States.
