Faithbook for Christian Counselors (Paperback)

By Andrew V Barber

Special Delivery Press, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The holistic health perspective, being a predominant paradigm among healthcare practitioners, posits the need for wholeness in body, mind, and spirit. Typically, it is the spiritual domain that receives the least attention. Research has shown that the majority of people in the USA have a faith-based worldview, and many of them would like to address issues of spirituality during therapy. Faith based counseling has been demonstrated to be every bit as effective as traditional approaches, with the added benefit of spiritual growth. While clinicians acknowledge the importance of spirituality many lack training in this area. Education programs are beginning to incorporate spirituality as a means to facilitate therapy. Practitioners receiving such training find it an invaluable asset and apply it regularly. While there is a plethora of research indicating the benefits of infusing spirituality into counseling, there is scant evidence suggesting that this treatment approach is harmful in any way. Of course it is not recommended for people who decline this option. This textbook provides proven methods and interventions commonly addressed in therapy with the addition of a spiritual component, emphasizing but...
