Manslaughter

By Frederic P. Miller

Alphascript Publishing Dez 2009, 2009. Taschenbuch. Book Condition: Neu. 220x150x5 mm. Neuware - High Quality Content by WIKIPEDIA articles! Manslaughter is a legal term for the killing of a human being, in a manner considered by law as less culpable than murder. The law generally differentiates between levels of criminal culpability based on the mens rea, or state of mind. This is particularly true within the law of homicide, where murder requires either the intent to kill, a state of mind called malice, or malice aforethought, which may involve an unintentional killing but with a wilful disregard for life. Manslaughter is usually broken down into two distinct categories: voluntary manslaughter and involuntary manslaughter. 80 pp. Englisch.
