Whether you're looking for safety, strong growth, or a mix of both, index funds are the answer. Low-risk and reliable, these are the investments you won't hear about from most advisors. If you want a better advisor, this book will show you how to find one; if you'd rather go it alone, this book gives you index fund strategies to help you invest in the best products for you. Learn how to invest for both safety and strong returnsDiscover just how much retirement will actually cost, and how much you should be saving every monthFind out where to find a trustworthy advisor-or go it aloneTake advantage of your offshore status to invest successfully and profitably Author Andrew Hallam was a high school teacher who built a million-dollar portfolio-on a teacher's salary. He knows how everyday people can achieve success in the market.
