IMMIGRATION STATUS VERIFICATION FOR BENEFITS: ACTIONS NEEDED TO IMPROVE EFFECTIVENESS AND OVERSIGHT: REPORT TO CONGRESSIONAL COMMITTEES. (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Millions of applicants for healthcare, licenses, and other benefits rely on DHS s SAVE system to verify their immigration or naturalized or derived citizenship status at the request of over 1,000 federal, state, and local user agencies. Agencies use the information from SAVE to help determine an applicant s eligibility for benefits. Programs required or authorized to participate include Medicaid, certain license-issuing programs (such as driver s licenses), federal food and housing assistance, and educational programs. The House Appropriations Committee Report accompanying the DHS Appropriations Act, 2016, included a provision for GAO to review the SAVE program. This report examines the extent to which USCIS has (1) determined the accuracy of SAVE information, (2) instituted safeguards to protect privacy and provide the ability to correct erroneous information, and (3) monitored user agency compliance with SAVE program policies. GAO analyzed SAVE policy documents and performance data, interviewed DHS officials, and interviewed officials from a non-generalizable sample of 13 SAVE user agencies selected to reflect the variety of types of agencies that use SAVE.
