RATFKED: THE TRUE STORY BEHIND THE SECRET PLAN TO STEAL AMERICA S DEMOCRACY****DOWNLOAD**

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. The explosive account of how Republican legislators and political operatives fundamentally rigged our American democracy through redistricting . With Barack Obama s historic election in 2008, pundits proclaimed the Republicans as dead as the Whigs of yesteryear. Yet even as Democrats swooned, a small cadre of Republican operatives, including Karl Rove, Ed Gillespie, and Chris Jankowski, began plotting their comeback with a simple yet ingenious plan. These men had devised a way to take a tradition of dirty tricks - known to political insiders as ratf**king - to a whole new unprecedented level. Flooding state races with a gold rush of dark money made possible by Citizens United, the Republicans reshaped state legislatures, where the power to redistrict is held. Reconstructing this never-told-before story, David Daley examines the far-reaching effects of this so-called REDMAP program, which has radically altered America s electoral map and created a firewall in the House, insulating the party and its wealthy donors from popular democracy. Ratf**ked pulls back the curtain on one of the greatest heists in American political history.
