As rumors of his cruelty and strength circulate, it is no secret that Sivon is looked upon as a hated man--and as a mistake of nature. Callous is convinced that he must merge the established religions of the world into one organized following. Considering himself a modern messiah, he begins a worldwide empire with the goal of monopolizing every industry, but soon becomes bored with his growing legacy. Callous is used to satisfying his every whim--even if it means murdering wealthy aristocrats and famous criminals. Deciding to create a vicious contest for his own amusement, he recruits his most powerful rivals to create an inner-circle--The Legion Of Rogues. On an isolated island in the Pacific Ocean, the latest Rogue Warfare is set to begin, and its outcome will either be deadly or lucrative to the six Rogues who have accepted the invitation from The Dark Man. In Rogue Warfare, revenge knows no limits. Who will win the lethal challenge and who will lose everything?.
