Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Semi-Monthly Honey Report, 1943: Information From Producing Areas East of Cascades. The winter so far has been mild with considerable rain and some snow. Consequently moisture conditions are favorable for the early bloom. Weather has kept most bees confined to the hives, but the few bees which did fly showed that flights are badly needed. Where bees had sufficient stores they...

Reviews

The publication is straightforward in study better to fully grasp. It is definitely simplistic but excitement inside the 50 percent of your publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
