Reviews

Thorough guide! Its such a very good go through. It is really simplified but surprises in the 50 % from the ebook. You will like how the blogger write this ebook.
(Mr. Brandt Kihn)

DOMINANCE: A PUZZLE THRILLER

Simon & Schuster. 1 Paperback(s), 2011. soft. Book Condition: New. Alex Shipley was part of a special night class taught by Richard Aldiss, a renowned literature professor and a convicted murderer in this devious second novel from the author of Obedience. Lecturing a handpicked group of nine students from a video feed in his prison cell, the professor spoke only of one novel by a famously reclusive author, and he challenged the class to solve the mystery of that writer's identity once and for all. Now, 15 years later, Alex is a Harvard professor who made her name as a member of that class, and as the woman who helped set Richard Aldiss free. But can she use what Aldiss taught her to stop a killer, now that her fellow alums are being murdered one by one?"The self-reflective process of literary criticism known as 'deconstructing the text' becomes a diabolical game of murder in *Dominance*, an academic mystery by Will Lavender that gleefully illustrates the dangers of losing yourself in a book."NYTBR"Mr. Lavender should be able to write his third, fourth and fifth puzzle-crazy potboilers on the visceral strength of the first two. *Dominance* is quick and complicated, in a wishfully Da Vinci Code way. But it is also very narrow, à la Agatha Christie. Part of Mr. Lavender's sleight of hand involves flattering the reader's keen intelligence. His book is tightly edited, with a lot of choppy leaps between 1994 and the present, and with a lot of white space (à la James Patterson) to accompany them. And he writes with real enthusiasm."NYTimes 371.
