The belief that entrepreneurs have to sacrifice everything to succeed is a myth. In The Bite-Sized Entrepreneur, Inc. columnist Damon Brown gives immediately actionable strategies to help you integrate a smart side hustle into the life you currently have. Known for co-founding and selling the popular startup Cuddlr while taking care of his baby, Brown shares smart first-hand lessons as well as wisdom from Steven Pressfield (The War of Art), Brene Brown (Rising Strong), and other business leaders. The Art of Risk author Kayt Sukel says Brown lays waste to both the misconceptions and pesky little lies we tell ourselves about why we can't make our side hustles a reality.
