THE SPIRAL STAIR (PAPERBACK)

Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****. While waiting for his wife to finish shopping, he stumbles across a strangely ornate spiral stairway hidden away at the back of the local mall. Bored, he decides to descend a flight or two to examine the strange window displays arranged along its outer wall. With each downward step, he realizes the displays progressively reflect history long since passed. Intrigued, he delves deeper and deeper into the stairwell's many mysteries. Has he gone too far? It's a deep, dark hole hidden away at the back of a suburban sanctuary. Lured by its presence, he loses his sense of time and then he loses his sense of judgment. Beware the point of no return.
