John Wiley Sons Inc, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. The easy way to start animating today! Creating Digital Animations is your ticket to learning animation! Learn how to animate your very own characters using Scratch the free multimedia tool that lets you create interactive stories, games, and animations. Designed specifically for kids aged seven and up, this easy-to-follow, full-color guide introduces you to important game design concepts through three simple projects. Step-by-step instructions walk you through the four major phases of animation design, showing you how to turn your idea into a real animation with sound effects and more! You ll work just like the pros as you sketch out your main idea, add your own details, and develop a complete, workable character from scratch. If you re curious about coding, animation is the perfect place to start exploring. The Scratch platform doesn t require an actual programming language, but it gets you used to thinking like a programmer while you develop your very own animation. Short on rules but big on fun, this book is your friendly animation coach to get you started on the right foot. * Use stick figures to...
