Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is the story of me, Ana the scribe, son of Meri, and of certain of the days that I have spent upon the earth. These things I have written down now that I am very old in the reign of Rameses, the third of that name, when Egypt is once more strong and as she was in the ancient time. I have written them before death takes me, that they may be buried with me in death, for as my spirit shall arise in the hour of resurrection, so also these my words may arise in their hour and tell to those who shall come after me upon the earth of what I knew upon the earth. Let it be as Those in heaven shall decree. At least I write and what I write is true. I tell of his divine Majesty whom I loved and love as my own soul, Seti Meneptah the second, whose day of birth was my day of birth, the Hawk who has flown to heaven before me; of Userti the Proud, his queen, she who afterwards married his divine Majesty, Saptah, whom I saw laid in her tomb at Thebes. I tell of Merapi, who was named Moon of Israel, and of her people, the Hebrews, who dwelt for long in Egypt and departed thence, having paid us back in loss and shame for all the good and ill we gave them. I tell of the war between the gods of Egypt and the god of Israel, and of much that befell therein.
