Brand New Book. The ship s systems seem determined to destroy the kids! The Earth Colony Asteroid Scorpio was launched into space in search of a new home for the human race. Nine hundred years later than expected, only seven of the Scorpio s passengers awoken, not one of them an adult. Now, rebuilt with cyber parts, these kids must rely on each other to survive the mysteries of the Scorpio and the dangers of deep space. After escaping the dangers of the rogue loader bots and fighting for control of their own cybernetic enhancements, the kid crew finds the ship s systems are determined to destroy them. If they cannot regain control, the kids face the possibility of being burned, drowned, or ejected into deep space! Luckily the kids have an ally, an AI named Ship, willing to help them dodge the forest fires, survive the floods, and escape the space vacuum, all while they search to unravel the mystery of what is happening to the Scorpio!.
