SOLOMON S KNIFE (PAPERBACK)

Kopubco, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.SOLOMON S KNIFE Victor Koman s Prometheus Award-winning novel is back in a new edition! Ray Bradbury says of him, Would that there were a dozen more writers like him in the field. Dr. Evelyn Fletcher is a surgeon caught in a maelstrom of controversy. She has secretly devised a surgical procedure that could alter the lives of millions. When the beautiful and successful Valerie Dalton walks into Fletcher s office for a routine abortion, the doctor realizes that she has found the perfect experimental subject. Karen Chandler and her husband sought pregnancy for years with no success. They greet Fletcher s offer of a radically new procedure as a miracle. Karen, with no hesitation, agrees to undergo the clandestine surgery. When little Renata is born and then falls deathly ill, only one person can save her life. A woman who does not even know her daughter exists. Under a barrage of media scrutiny, Valerie Dalton must face the courts with her lover in an unprecedented custody battle. Ultimately, she plumbs the depths of her shattered soul to find the answer to the conflict that rages within her and all society.
