Createspace, United States, 2014. Paperback. Book Condition: New. 235 x 190 mm. Language: English . Brand New Book ***** Print on Demand *****.Create the success you want as you choose small steps within your immediate reach from Building Bridges to Achievement. By using this second handbook on success, you can promote your self-sufficiency with minimal cost and time. The process will bring you even closer to fulfilling your goals and dreams. You ll also get additional tools to transcend personal emotional barriers that may temporarily block your progress. The introduction and four guides provide practical, easy-to-use applications for your unique situations: Beyond Time Management gives multiple options to avoid mere reaction and busyness in favor of using time based on your true interests. See how to translate the subjective meanings of time to shift habits and connections to your benefit. Getting the Attention You Merit addresses how to transcend risks and boundaries to release your strengths. Situations to effectively show and enjoy your authentic self are specified. Making Heroes of Yourself and Others uses the sandwich metaphor to provide a range of ways to express your natural powers and encourage others. Opening Windows to Your Wisdom guides you through expanding and deepening understanding, capacities, and insight. Multiple means for making the most of your smarts include learning from mistakes and stories as well as culling opportunities from other cultures and conversations. Expect to find additional inspiration and motivation from photos, quotes, humor, and resource lists in this multilevel handbook which complements Ruth Schimel s 2013 book, Choose Courage: Step Into the Life You Want. This approach also animates Step Into the Success You Want: Sparking Your Powers, Choose Courage Handbook #1. Use them all together to further enrich value and your effectiveness.
