

A Polity of Persuasion: Gift and Grief of Anglicanism (Paperback)

Filesize: 6.43 MB

Reviews

This ebook is fantastic. It is actually written in straightforward terms rather than hard to understand. It has been designed in an extremely straightforward way and it is merely soon after I finished reading through this ebook through which in fact modified me, altered the way I really believe.

A POLITY OF PERSUASION: GIFT AND GRIEF OF ANGLICANISM (PAPERBACK)

CASCADE BOOKS, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.At an international level, Anglicanism has almost no mandating or juridical power. Stresses and threats of division over issues such as human sexuality have resulted in moves to enhance the Communion's central structures and instruments. However, it is becoming clear that there is little likelihood of substantial change in this direction succeeding, at least in the medium term. The challenge for Anglicanism is to make a polity of persuasion work more effectively. This volume seeks to identify some trends and shifts of emphasis in Anglican ecclesiology to serve that end. Jeffrey Driver argues that there is more at stake in such an exercise than Anglican unity. In an ever-shrinking, pluralist, and conflicted world, where oneness is often forced by dominance, the People of God are called to model something different. The injunction of Jesus, it is not so among you, challenged his followers to use power and live in community in a way that contrasted with what occurred among the Gentiles (Mark 10:41-45). This is why the sometimes tedious debates about authority and structure in the Anglican Communion could actually matter--because they might have something to say about being human in community, about sharing power and coexisting, about living interdependently on a tiny and increasingly stressed planet. The Anglican experiment in dispersed authority, for all its grief, could be a powerful gift. There can be few writers, at present, who are able to comment on the challenges that are facing Anglicanism, with such wisdom and insight. Driver writes as both a scholar and an archbishop, and as such is able to bring an all too rare re-visioning of what the church is and might yet become. This is an accessible and scholarly book...
