CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 224 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. Are you frustrated or disenchanted by the results of your Agile approach? Does Agile sound like a good idea, but you have trouble explaining it beyond meetings, roles, and practices? Is your team going through the motions, but it's still business as usual? The missing piece is the Agile mind-set: the thinking that makes Agile processes work. This book is the compass for your Agile journey. Without prescribing any process, practice, or tool, it will show you how practitioners approach: Deciding what to work on, Planning and doing the work, Engaging people and performing as teams, Working better. Pragmatic and dogma-free, this book will help you understand what it means to be Agile and how to bring others along. Too often we focus on implementation, process, and logistics without considering the broader context. Cameron Turner, Engineering Director, D2L. The Agile Mind-Set explains the piece of the Agile puzzle that most organizations are missing. Roger Brown, Agile Coach, Agile Crossing. This book urgently needs to be read by leaders and managers who plan to hop onto the Agile bandwagon. It will help you see through the briar-patch of branded services and ossified processes, to the original intent of Agile. Rob Myers, Principal Coach/Instructor, Agile Institute. Gil Brozas' book has the tools, options, and practices to help people start, restart, think, rethink, grow, and improve their implementation of Agile by grasping the underpinning mind-set. Gunther Verheyen, *Shepherding Professional Scrum* at Scrum.org. I return to The Agile Mind-Set repeatedly for inspiration and guidance, and always come away with a constructive way of approaching a challenging situation. Michael Goitein, Principal Project Manager, Mobiquity. I want to give this book to every executive and...
