The Biographical Encyclopedia of the United States: Illustrated (Classic Reprint) (Paperback)

By American Biographical Publishing Co

Forgotten Books, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Biographical Encyclopedia of the United States: Illustrated Istory, one of the most interesting and instructive studies of modern ages, is composed in a large part of biographies of men made great by their own heroic and noble exertions. Guided by the philosophic principle that all men are, in a great measure, architects of their own destinies, and that the laudable example of those who have honorably won their way to success will ever inspire the struggling mass of humanity to greater effort and nobler aspirations, the publishers of this volume here present some of the most prominent facts and incidents in the lives of the leading citizens of the United States, who have, to a great extent, made the history of this wonderful country. In selecting names for the Biographical Encyclopedia of the United States, the publishers have aimed to give a life-sketch of the representatives of the various interests of our republic: the professional men, the business men, the agriculturists, and indeed all who have taken part in the intel lectual, political and material progress of the people. While...
