Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

THE OHIO STATE UNIVERSITY QUARTERLY, VOL. 1: OCTOBER, 1909 (CLASSIC REPRINT)

Forgotten Books. Paperback. Condition: New. This item is printed on demand. Dimensions: 9.0in. x 6.0in. x 0.1in. Excerpt from The Ohio State University Quarterly, Vol. 1: October, 1909 For a generation the University has been living annually, or, at the most, biennially. The exception to this was when the passing of the Hysell Bill was supplemented by an act authorizing a bond issue in order to erect some needed buildings. This procedure enabled the University to erect a small group of buildings under a general plan. The time has now arrived when the University must begin to live by decades. The unusual and unexpected development has quite out reached the equipment and facilities. NO annual arrangement which will accept from the Legislature whatever happens to be uppermost in the minds of either trustees or legislators at the time will provide for that systematic and symmetrical development now recognized as a necessity. A distinguished alumnus last Commencement intimated that there was not a permanent building on the campus. This striking statement served to call attention to the fact that the University had been making shift as best it could without any real vision as to its own future. There is a vision as to that future. It is an extremely realistic one. That is to say, there is no question about the continued need of large and ample facilities unless education itself becomes a forgotten thing of the past. The point has been reached where the question of numbers of students need not trouble us. The real problems of the University concern its own life and efficiency. The supreme issue is whether we shall be able to do for the young men and young women of the state the things that ought to be done for them. It is...
