Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Deuce Gordon, soldier, cop, detective, wanted his retirement from the Belt City Police Department to be restful, a time to sit on his butt and drink. Alien serial killers, extra-terrestrial law enforcement officers and secrets from out of the past had other ideas, pulling Gordon back into the neon lit underbelly of a technologically corrupt world, where cyberpunk is a way of life and only a man with nothing to lose and no one to love even has hope of not dying a day too early. Author Jerry Kokich (Monuments of Doom, Hell s Fury) takes adventure to a whole new dystopian level in BELT CITY, with a stunning cover by artist Rick Johnson. From Pro Se Productions.
