Lulu.com, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Imagine having a set of resources, skills, and scripts for various processes that can guide even the most difficult clients into recovery. How would that re-energize your therapeutic work? Those resources are what this book provides. Written by a practicing therapist, it is a clear and concise explanation of evidenced-based protocols and how to utilize them with real clients in real therapy. This book will show you how Mindfulness based psychologies can be practically implemented in a life changing way. You will learn core elements and applications of ACT Therapy, Dialectical-Behavioral Therapy, Mindfulness Stress Reduction and Positive Psychology. The book contains exercises and scripts for use with clients. Although designed as a both a primer and practical guidebook, the book cites studies and sources from peer-reviewed literature to support the integration of these techniques into a variety of therapeutic contexts.
