BRADT TRAVEL GUIDES, United Kingdom, 2008. Paperback. Condition: New. First. Language: English . Brand New Book. The latest edition to Tony Soper s successful wildlife series, North Atlantic: A Guide to the Wildlife, is beautifully illustrated throughout with watercolour paintings by renowned wildlife artist Dan Powell. This full-colour guide covers the surface wildlife that inhabits the waters of the North Atlantic. As a practical guide, it s an ideal companion for anyone at sea or exploring the coast between Brittany and the British Isles, Norway, the Faroe Islands, Iceland, Greenland, Newfoundland and Maine. Sail the region and experience the company of gannets, fulmars, pigeons, leaping dolphins and sociable seals. As a souvenir, it is the perfect book to bring back memories of the birds, whales and other marine life to whom these waters are home. Bradt s fully illustrated wildlife guides focus on regions of the world particularly celebrated for their amazing and often unique species. With spectacular photography or exclusive watercolour drawings throughout, each visitors guide provides an introduction to the region s principal flora and fauna alongside suggested wildlife itineraries, practical information on when to go and what to take and photography tips. Written in a deliberately engaging way, they offer something different from dry field guides, and will appeal to the interested layman as much as the wildlife devotee. Ideal as a lightweight companion to any wildlife trip they also make a handsome souvenir.
