Forex Trading: The Fundamentals of Forex Trading

By Alan Thompson

Speedy Publishing LLC, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.If you re eager to learn about Foreign Exchange Market trading but fear that jargon and complex trading concepts might prove too difficult to understand, Forex Trading. The Fundamentals of Forex Trading, is an ideal starting point for acquiring the knowledge you need to succeed. Forex Trading explains what FOREX (the nickname for the foreign exchange market) is and how it works in plain English. Alan Thompson breaks down complex information regarding stock market trends, currency conversion, statistics and trade jargon so that stock market novices can more knowledgeably manage the stock market s inherent challenges and risks. Thompson defines and explains long and short selling, stop orders, and options for shielding your investments when there is a threat of dramatic loss. While skillfully teaching readers how to minimize risk, Thompson tempers his suggestions with this warning: There is always a cloud hanging over your head waiting to burst, and all it takes is one little pinprick. You must always exercise caution, though the idea of playing the stock market entails danger and excitement inherently. Every...
