Reviews

Great electronic book and valuable one. It really is simplistic but surprises within the fifty percent from the book. Its been printed in an extremely simple way in fact it is merely right after i finished reading this publication by which in fact modified me, change the way i really believe.

John Wiley & Sons Inc. Paperback. Book Condition: new. BRAND NEW, Killing the Impostor God: Philip Pullman's Spiritual Imagination in His Dark Materials, Donna Freitas, Jason King, Jason E. King, Killing the Impostor God explores the complex religious and spiritual dimensions of the best-selling fantasy series. Donna Freitas and Jason King-scholars of religion and popular culture-reveal how humanity's moral and religious issues play out in Pullman's literary phenomenon, showing that the trilogy-far from preaching atheism, as many have suggested-actually presents a vision of a universe permeated with divinity and rich with the Christian tradition Pullman himself so publicly rejects. Weaving together critical theory that spans the disciplines of theology, ethics, feminist studies, and philosophy, the authors examine the questions His Dark Materials raises about destruction and salvation, love and redemption, the abuse of power, and the divine-making the case that Pullman the self-professed atheist has created a Christian classic of our times.
