Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.From the earliest days of the republic, America s Armed Forces have been compensated for their services by the federal government. While the original pay structure was fairly simple, over time a more complex system of compensation has evolved. Today s military compensation includes cash payments such as basic pay, special and incentive pays, and various allowances. Servicemembers also receive non-cash benefits such as health care and access to commissaries and recreational facilities, and may eventually qualify for deferred compensation in the form of retired pay and other retirement benefits. This report provides an overview of military compensation generally, but focuses on cash compensation for current servicemembers. Since the advent of the all-volunteer force in 1973, Congress has used military pay and allowances to improve recruiting, retention, and the overall quality of the force. Congressional interest in sustaining the all-volunteer force during a time of sustained combat operations led to substantial increases in compensation in the decade following the September 11th attacks. More recently, concerns over government spending have generated congressional interest in slowing the rate of growth in military compensation. Some have raised concerns about the impact of personnel costs on the overall defense budget, arguing that they decrease the amount of funds available for modernizing equipment and sustaining readiness. Others argue that robust compensation is essential to maintaining a high-quality force that is vigorous, well-trained, experienced, and able to function effectively in austere and volatile environments. The availability of funding to prosecute wars in Iraq and Afghanistan mitigated the pressure to trade-off personnel, readiness, and equipment costs, but the current budgetary environment appears to have brought these trade-offs to the fore again. The average cost to...
