

Henri Matisse: Rooms with a View (Hardback)

Filesize: 8.38 MB

Reviews

Excellent eBook and helpful one. This can be for all who statte there was not a worthy of studying. You will not feel monotony at at any moment of your respective time (that's what catalogs are for regarding when you request me).
(Princess McCullough)

HENRI MATISSE: ROOMS WITH A VIEW (HARDBACK)

Monacelli Press, United Kingdom, 2010. Hardback. Book Condition: New. 315 x 262 mm. Language: English . Brand New Book. The colorful, painterly, uplifting, and often joyous works of Henri Matisse are critical in the history of modern art. Throughout his many years as a painter, the celebrated artist kept returning to one particular subject--the windowed interior. Henri Matisse: Rooms with a View explores in depth, for the first time, the full significance of the window in Matisse's thinking about interior and exterior space. Matisse studied and rearranged his rooms constantly; when he lived in hotels and small apartments his living quarters usually doubled as his studio. In a continuous engagement with these spaces he produced not only singular masterpieces but also developed a theme as rich as the traditional landscape or portrait. In each new phase of his art and with every change of residence, Matisse reinvented the theme of the window. Distinguished art historian Shirley Neilsen Blum analyzes more than fifty paintings, starting with the early *Studio Under the Eaves* (1903), a traditional darkened room with a small brilliant window, through *Harmony in Red* (1908), with its startling use of color, pattern, and line, to the more abstract work created during World War I such as *The Piano Lesson* (1916). After the war Matisse moved to Nice. Tall French windows that open upon a balcony and overlook the Mediterranean define many of the paintings from these years. By the late 1940s the window is so bound to the structure of the flattened space that it is barely differentiated from a painting or piece of tapestry hanging on the wall. The luxuriously illustrated volume culminates in one of Matisse's greatest and most original works--the *Chapel of the Rosary* (1947-51) at Vence--where, instead of imitating light and color in...
