ALLAH S DAUGHTER: MY LIFE THROUGH CHRISTIANITY AND ISLAM (PAPERBACK)**DOWNLOAD**

Xlibris, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Allah s Daughter is a compilation of its author s memories, of all the important events in her life that helped shape her character since she was a small baby. Although the book was written as a memoir, it was not intended to tell the story of the author s life but rather express the truth about the ugly circumstances some religious groups are forced to face by member of opposing groups. In this book, you will find experiences that young children suffer at the hands of schoolmates, teachers, and even principals who disrespect the laws and commit abuses on the children, who can t defend themselves. The book also tries to show how having knowledge of the scriptures and not being afraid of confrontations can help to stop discrimination at school and at work. It demonstrates how, by fighting for your rights, you assert yourself and force others to respect you.
